THE HISTORY OF THE

REIGN OF

GEORGE THE THIRD

BY

JOHN GAY

In Memory of

Raymond Bronson Aldrich

May 13, 1929 - May 17, 1997

The Town of Enfield honors Raymond B. Aldrich for his many years of dedicated service to the Town.

Mr. Aldrich served as a regular member and as Chairman of the Planning Board from 1974 until 1981. At the same time, he served as a member of the Municipal Building Study Committee from 1974 until 1976.

From May of 1993 through May of 1995, Ray Aldrich served on the Bridge Study Committee, which studied and proposed the plan for replacement of the bridge now known as the Carl Patten Bridge. In April, 1996, he was appointed to serve one term on the Bridge Committee, which was charged with review of the overall bridge needs of the town.

For all of the time and energy Ray Aldrich devoted to the community he will be fondly remembered.

In Appreciation of

Albert Archie Ruel

For over 50 years of unselfish devotion and dedicated service
to the Enfield Volunteer Fire Department.

Cover Story: Shaker Recreation Park

The Shaker Recreation Park is a large project which is being completed primarily by volunteers. Funding has been provided by both public and private sources and has included donated materials, equipment and labor. The park, first used for an ice skating party in early 1997, is utilized throughout the year. This new park will provide many years of enjoyment for Enfield's children and adults. The Town's deepest appreciation goes out to everyone who has supported and been a part of this project.

To the Citizens of Enfield

1997 has seen a stabilization of Town business and the resolution of several longstanding problems. It has also been another year of the volunteer, the many people who do the nuts and bolts work of preserving and improving the Town. If we were to name them individually the list would include a good portion of the checklist, however the good works they have accomplished should certainly be recognized.

The people who serve on our well functioning Boards, Committees and Commissions, our firefighters and F.A.S.T. Squad who in addition to performing their vital services continue to improve their facilities with their own labor and equipment.

The Bridge Committee which guided us through the completion of the new Carl Patten Bridge and is continuing to work with the State Department of Transportation on the restoration of other deteriorating bridges. The DOT is also working on the improvement of safety conditions at the intersection of Main and High Streets.

Our Cemetery Trustees are working hard to bring our cemeteries up to State standards.

The Conservation Commission has accomplished a great deal during the year in addition to the normal duties. It has sponsored work trips to remove several hundred tires from the Knox River and to convert the old Northern Rail line in Enfield into a recreational trail.

The Enfield Community Development Committee continues with its many projects dedicated to improving the quality of life in Enfield. Our thanks go out to them and to the local businesses who have supported their efforts.

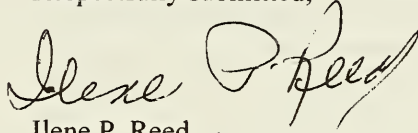

Our thanks to Mrs. Powell and her Garden Club for their efforts to brighten up Huse Park and the Main Street area--also for organizing the third annual Carol Sing during the Holiday Season.

Our thanks also to Mrs. Plumley and the Shaker Recreation Park Development Committee for their work which resulted in the Park being used during the year. We should also express our appreciation to the Lions Club and others who have donated time, labor, equipment and financial support to the project.

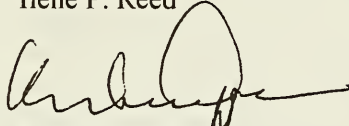

Our vote of thanks to the LaSalette Order for permitting the Town to use their cafeteria building for two elections, providing easy access and avoiding disruption of the routine at the Enfield Village School--also to Chief Giese whose idea it was.

Special thanks to our Town employees--the office staff, the Public Works Department, the Enfield Police Department, all highly professional--who bring the whole thing together, and last but not least the staff and Trustees of our first rate Library.

Respectfully submitted,

Ilene P. Reed

Enfield Board of Selectmen

Town Manager's Report

It has been our pleasure to serve as Town Manager for the Town of Enfield. We both appreciate and respect the continuing confidence the Town has expressed in Municipal Resources, Inc.

From an operational point of view, we have been "putting our house in order." In the area of accounting, an investment policy has been developed and put into place and bookkeeping changes have been made so that budgets now show identical account numbers for identical activities. In terms of process, joint departmental purchasing for all radio communications equipment is now being achieved as was recommended by the Budget Committee. The Lower Shaker Village sewer situation, brought on by the developer's bankruptcy, has been resolved. Back fees due the Town's sewer fund have been collected and the system is in process of being transferred to the Town. A portion of Enfield's long term debt has also been refinanced. A Centrex telephone system has been installed throughout town offices. The installation of the Prospect Hill sewer with Community Development Block Grant Funds has solved a serious sanitation problem in the community.

In terms of personnel, all employee benefits have been reviewed. With the Selectmen's approval an employee retirement program has been initiated through the New Hampshire Retirement System. Less costly health care options have also been offered employees.

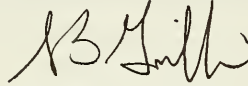

Economic Development has continued to be a major focus of 1997 and has taken several forms. First, Enfield's surplus property, the majority of which had been taken for taxes due, has now been sold, returning it to the tax rolls. The Shaker Museum, a positive economic factor in tourism, has been supported in its purchase of the Shaker Inn, cemetery, gardens and related properties. Likewise, the Enfield Community Development Committee, the Enfield Business Association and the Economic Development Corporation of the Upper Valley (EDCUV) have continued to be supported. A business loan program with federal Community Development Block Grant and private funding has been put in place through EDCUV. In Town, one of the more visible projects was a volunteer clean-up and paint work-day in the downtown area which the property owners completed.

The adoption of the default budget in 1996 has not caused any major disruption in town government since the proposed budget was only slightly higher. The Town's tax rate has fallen over the last three years due in part to modestly increased assessments and the control that the Town has kept over its

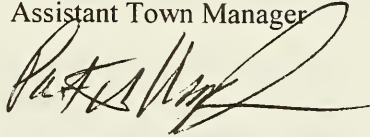

expenditures. It should stay about the same in the coming year. The goal is to keep it as stable and flat as possible.

We would be remiss if we did not acknowledge and thank the employees of the Town of Enfield for the fine work they do for the Town. The employees who work for the Town of Enfield are as dedicated and hard-working a group of people as we have seen anywhere. It is a pleasure to serve and work with them.

Respectfully submitted,

To the Voters of Enfield

The Budget Committee, this year, looked at the town's budget from a more philosophical view than in years past. We not only looked at what was needed, but we asked the question, "Where will this take the Town of Enfield in the future?"

Each year we are faced with a cost of living increase and the need to expand services and facilities. While in the short view all these additions might seem appropriate, the committee felt it was important to also look at the longer view and see where Enfield is going.

With this philosophy in place we identified a number of areas in the budget that needed to be addressed:

1. Is an ever expanding town highway department appropriate?
2. What level of expenditure is sufficient to maintain good roads without changing the character of Enfield's rural nature?
3. Are all departments fulfilling their responsibility to provide services?
4. How should Enfield look at improving the infrastructure of the community?
5. Is the existing property owned by the town being put to the best use?

The budget, presented to you, reflects the Committee's decisions on how Enfield should proceed for 1998. Next year Enfield will need to consider what it will do to up-grade the water system, purchase a new fire truck pumper, replace highway equipment and maintain its highways and buildings. As we continue to grow as a community we will be facing many budget choices. It becomes increasingly important to constantly review this philosophy, "Where will Enfield go in the future?" The budget of the town is a reflection of our philosophy as a community.

The Budget Committee wishes to thank the community for its support and suggestions in preparing this year's budget. And, we hope that you, as citizens of Enfield, will continue to help our committee define where Enfield is going in the future. How and what we as a town want to do in the future can only be determined by the voters.

Respectfully submitted,

Holly Sanders, Chairwoman

One Trustee of Trust Funds
One Cemetery Trustee
One Fire Ward
One Library Trustee
Two Recreation Commission Members
Two Zoning Board of Adjustment Members
Three Budget Committee Members

Two Years: One Moderator
One Budget Committee Member

Article 2. Shall the Town establish an expendable general trust fund under the provisions of RSA 31:19-a, to be known as the Cemetery Maintenance Fund, for the purpose of maintaining the cemeteries; to designate the Board of Selectmen as agent to expend; and to appropriate the sum of seven hundred fifty and 00/100 dollars (\$750.00) for the purpose, revenues from 1997 sales of cemetery lots to offset this account? This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 3. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,741,421? [Estimated Town tax rate of \$7.54 per \$1,000 valuation.] Should this article be defeated, the operating budget shall be \$2,734,451, which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [If the default budget is approved the estimated Town tax rate is \$7.51 per \$1,000 valuation.]

Article 4. Shall the Town establish a Land Acquisition Capital Reserve Fund for the purchase of easements and/or land for conservation, recreation or other public purposes; to designate the Board of Selectmen as agent to expend; and to raise and appropriate the sum of three thousand and 00/100 dollars (\$3,000.00) to be placed within the fund? This appropriation is in addition to Warrant Article # 3. [Estimated tax impact of 1¢ per \$1,000 valuation.] **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 5. Shall the Town vote to raise and appropriate the following sums to be placed in the designated Capital Reserve Funds previously established? (Majority vote required):

<u>Capital Reserve Account</u>	<u>Appropriation</u>	<u>Estimated Tax Impact</u>
Municipal Buildings.....	\$ 5,000.....	2¢
Ambulance	5,000.....	2¢
Fire Vehicle/Equipment	83,000.....	40¢
Revaluation	10,000.....	5¢
Police Equipment	5,000.....	2¢

This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 6. Shall the Town raise and appropriate the sum of one hundred five thousand four hundred and 00/100 dollars (\$105,400.00) for the purchase of a rubber-tired excavator? [Estimated tax impact of 51¢ per \$1,000 valuation.] This is a petitioned warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen recommends passage of this article. The Budget Committee does not recommend passage of this article.**

Article 7. In the event of the failure of a vote to purchase a rubber-tired excavator, shall the Town vote to raise and appropriate the sum of eighteen thousand six hundred fifty and 00/100 dollars (\$18,650.00) for the continued lease of a rubber-tired excavator? [Estimated tax impact of 8¢ per \$1,000 valuation.] This is a petitioned warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen recommends passage of this article. The Budget Committee does not recommend passage of this article.**

Article 8. Shall the Town vote to raise and appropriate the sum of six thousand and 00/100 dollars (\$6,000.00) in order to prepare the 1986 One-Ton Forestry Truck for operation by the Fire Department? (This truck was acquired from the Highway Department in 1997.) [Estimated tax impact of 3¢ per \$1,000 valuation.] This is a petitioned warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 9. Shall the Town vote to raise and appropriate the sum of eight thousand seven hundred thirty and 00/100 dollars (\$8,730.00) for the purchase of new equipment for the Fire Department? (The Budget Committee cut this amount from the 1998 budget request of \$14,730 leaving the Fire Department with \$6,000.) [Estimated tax impact of 4¢ per \$1,000 valuation.] This is a petitioned warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen recommends passage of this article. The Budget Committee does not recommend passage of this article.**

Article 10. Shall the Town vote to raise and appropriate the sum of eighty thousand and 00/100 dollars (\$80,000.00) (gross budget) to purchase a new ambulance and to authorize the withdrawal of forty-four thousand dollars (\$44,000) from the Ambulance Capital Reserve Fund, and to appoint the Board of Selectmen as agent to expend, the balance of thirty-six thousand dollars (\$36,000) to come from general taxation? (Majority vote required) [Estimated tax impact of 17¢ per \$1,000 valuation.] This is a special warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 11. Shall the Town vote to raise and appropriate the sum of five-thousand dollars and 00/100 (\$5,000.00) to purchase professional services to study the design feasibility of Whitney Hall auditorium renovations. [Estimated tax impact of 2¢ per \$1,000 valuation.] This is a special warrant article. This appropriation is in addition to Warrant Article # 3. **The Board of Selectmen and Budget Committee recommend passage of this article.**

Article 12. Shall the Town designate Oak Hill Road as a scenic road per RSA 231:157 for the purpose of preserving the trees and stone walls along this road? To preserve the rural character, the highway department may only remove portions of trees, shrubs, vegetation and other natural or man made obstructions from within three feet of the main traveled portion of such road which interfere with the safe travel upon such road without such consent as required by RSA 231:158, II. This is a petitioned warrant article.

Article 13. Shall the Town vote to designate that portion of the Lockehaven/East Hill Road that begins at the Crystal Lake Road, East to the Grafton Town line as scenic road per RSA 231:157 for the purpose of preserving the trees and stone walls along this road? To preserve the rural character, the highway department may only remove portions of trees, shrubs, vegetation and other natural or man made obstructions from within three feet of the main traveled portion of such road which interfere with the safe travel upon such road without such consent as required by RSA 231:158:II. This is a petitioned warrant article.

Article 14. Shall the Town vote to appoint a study committee to examine the feasibility of withdrawing from SAU 62 and forming its own supervisory administrative unit and to examine the feasibility of implementing other alternative educational formats to serve the educational needs of Enfield's children? This is a petitioned warrant article.

Article 15. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Article 16. Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority the Public Library Trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Article 17. Shall the Town vote to accept the provisions of RSA 31:95-e providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose? The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Article 18. Shall the Town vote to accept the provisions of RSA 202-A:4-d providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property?

Article 19. Shall the Town vote to accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to borrow money in anticipation of taxes?

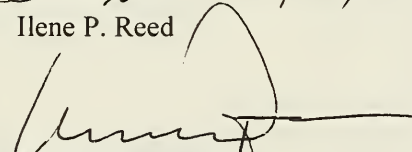

Article 20. Shall the Town vote to accept the provisions of RSA 80:80 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks?

Article 21. Shall the Town vote to authorize indefinitely, until specific rescission of such authority, the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the selectmen and their agent?

Article 22. Shall the Town vote to accept the provisions of RSA 31:19 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose?

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the
Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Enfield as of and for the year ended December 31, 1996. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Enfield has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield, as of December 31, 1996, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Enfield. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Progress Report of the Grafton Pond Road Bridge

To date, soil tests have been completed. Preliminary plans have been completed. Both are now being reviewed by the New Hampshire Department of Transportation.

We are hopeful that construction will proceed in the spring of 1998.

Submitted respectfully,

A handwritten signature in black ink, appearing to read "Paul C. Putnam", with a stylized flourish at the end.

Building Inspector/Health Officer

The purpose of Building Codes are to provide minimum standards for the protection of life, limb, health, property and environment and for the safety and welfare of the consumer and general public. A building permit shall be obtained before beginning construction, alteration or repairs, other than ordinary repairs. Any person violating any of the provisions of the 1996 BOCA Code, as adopted by the Town, shall be guilty of a misdemeanor.

Building permits were issued in 1997 for 16 single family homes, 26 garages, carports and barns, 10 mobile homes, 51 additions and renovations, 23 storage buildings and decks, 7 commercial, 9 demolitions and 3 renewals.

Building Permit Fee Schedule: A \$25 processing fee applies to most permit applications from single family homes to storage buildings & decks. Multi-family dwellings & condominiums are \$50 per unit, and commercial projects are \$100. Demolition, plumbing, electrical and mechanical permits are required, but there is no fee. Renewals are 50% of the original processing fee.

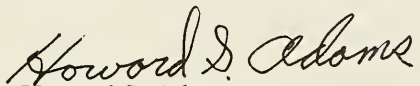

An inspection fee is also charged on a square footage basis and differs for each type of project, 6¢/sq. ft. for garages, barns, storage buildings & decks.; 8¢/sq. ft. for mobile homes and commercial projects; and 10¢/sq. ft. for single and multi-family homes, additions & renovations and condominiums. There is also a re-inspection fee of \$15.

Code books are available at the Enfield Public Library during regular hours (632-7145). Applications for permits may be obtained from the Building Inspector or at the Selectman's Office.

If you need help or have any questions please call 632-4067, FAX 632-5182, or e-mail at town.of.enfield@valley.net. If I am not in please leave a message and I will return your call. Questions answered now can prevent delays later. Office hours are Monday & Tuesday, 9:00 am. to 4:00 pm. Inspection hours are Thursday & Friday, 9:00 am. to 4:00 pm., or by appointment.

As Health Officer I have assisted in many repairs and replacements of failed septic systems. I have also inspected licensed day care centers, foster homes and apartment buildings for minimum housing standards.

Please help to keep our town a place that we can be proud of. If you need help or have any questions please call or stop by my office

Board of Cemetery Trustees

The Trustees for the 1997 year were Fred Altvater, Mary Bailey and Duncan Baillargeon. We appreciated working two years with Howard Walton and were sorry he chose not to run again. Thank you, Howard, for your hard work. Duncan was elected and has knowledge of and interest in our cemeteries. He and Fred keep a close eye on all the cemeteries.

Chris Rollins surveyed the Paddleford and Montcalm Cemeteries for us this summer and both cemeteries have now been fenced with maintenance free fencing. We are very pleased with how they look.

The plans for the new cemetery on Kluge Road were drawn up by Chris Rollins, approved by the Trustees, brought before the Planning Board and were approved. We are awaiting the removal of trees and stumps in the front of the lot. In 1998, we will have the area where the stumps are removed graded and leveled. Chris will then begin plotting the lots and roads, the fence will be installed and roads made. We are in hopes of the cemetery being opened at the end of the summer of 1998.

We are waiting for the computer program to be completed to begin the data entry of cemetery records. This is also one of our goals for the new year.

We would like to fix the roads to the Montcalm and Town Cemeteries and put a much needed new fence around Lakeview Cemetery in 1998.

There is a lot of good history in our cemeteries, each one is unique. Trying to get all sixteen in good condition and keep them that way sometimes seems like an unending task. Just ask Paul and Steve, who work in them.

Respectfully submitted,

Mary Bailey

Conservation Commission

The year has been a very active one for the commission, which has reviewed 27 logging projects and 9 dredge-and-fill applications. The dredge-and-fill applications are reviewed and submitted to the N.H. Wetlands Bureau with comments as to the impact each project will have on the local environment. Permits are required for docks, beaches, and repair of docks on the lakes, and for culverts, roads and building within or across wetlands. Application forms can be picked up at Whitney Hall from the Town Clerk or from the Wetlands Bureau in Concord.

Some logging projects are continuing from last year. All the projects appear to be complying with good logging practices. We offered and will continue to offer a packet of information and assistance to landowners who contemplate harvesting timber.

Through the efforts of Celie Aufiero in completing the necessary paperwork, Enfield received the N.H. Arborists' Association award to the town of 2,500-10,000 population for outstanding efforts in beautification in 1996. This award was in recognition of all the flower plantings done within the town by the Enfield Garden Club and others. It is now proposed that further plantings be made in selected areas in the town.

Mary Reynolds, an urban forester in the NH Department of Resource and Economic Development, Division of Forests and Lands, spoke to the commission on selection of trees and shrubs for urban plantings. At another date, Jeff Carney, Senior Forester for Granite State Electric Company, informed us of the importance of proper siting, maintenance, and choice species for roadside plantings. We are planning to make site selections and plantings in some areas in the coming year. With these plantings, and those of the Garden Club, we hope to be eligible for additional awards from the Arborists.

In July we helped the Enfield Community Development Committee to clean up lower Main Street. Two truckloads of junk were removed from the Mascoma River and its banks. Other activities that day included constructing a large planter in front of George's Market and painting some adjoining buildings.

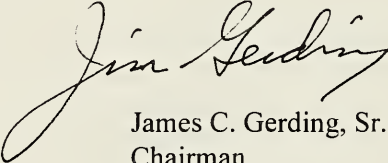

The Bicknell Brook Trail has now been made into an interpretive trail. At the parking lot at the entrance there is a box containing information sheets describing the interesting trees, plants, etc., that are numbered along the trail. The parking lot is located on the left-hand side of Grafton Pond Road, in about a 1/4 mile from 4A. The Bicknell Brook Trail is going to be part of a trail from Crystal Lake to Grafton Pond planned by Mr. Robert Drape in memory of his daughter.

As ever-increasing population puts more and more pressure on towns to widen their highways "preservation of trees and other scenic features which make the Region particularly attractive should be carefully considered in the widening of existing highways and the construction of new roads." "Encourage the designation of new scenic roads to preserve individual scenic qualities." These quotes are from the Upper Valley Lake Sunapee Regional Planning Commission report on regional transportation. At Town Meeting we will be presenting a warrant article to designate Oak Hill Road as another scenic road. Presently there are only three such roads within the town: Ibey, Kluge and Eastman Hill Roads. Along scenic roads, medium and large trees, and stone walls, cannot be removed without prior approval from the Planning Board. Individual property owners do not need this approval.

During the year, many members contributed their time to working on the Northern Rail Trail. Through their efforts most of the ties, as well as scrap metal and brush, have been removed from the railbed. The trail is now usable from the CCB in Lebanon almost to the center of Canaan, and many people are beginning to find the joys that the trail has to offer. Because of State and Federal regulations the trail is not to be used by motorized wheeled vehicles.

It was with great regret that the commission saw Bert Gilbert's role as selectmen's representative end in May after three years of service. In recognition of all the work he did for the Commission, a donation from the members in his honor was made to the Lake Tarleton Project. We hope that Bert will continue to help the Commission on future projects.

With a busy year behind us, we look forward to continuing and expanding our activities in 1998.

James C. Gerding, Sr.
Chairman

Enhanced 911 Committee

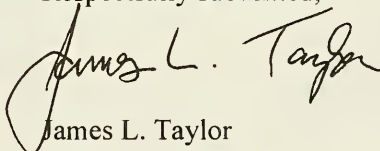

The Enfield Enhanced 911 Committee was established by the Selectmen in 1993 to assist with the establishment of E911 dispatch service for the Town of Enfield. This project was finally concluded Monday, October 20, 1997 when the Enfield Board of Selectmen adopted the street addresses of the townwide street addressing system after a public hearing. Property owners were notified of their new addresses with the 1997 second issue tax bills.

The new system is designed to work in conjunction with the Statewide Enhanced 911 Emergency Service Program and allow for future town growth. Enhanced 911 service will aid Police, Fire and EMS services by giving each residence a unique address that will appear to the dispatcher when 911 is dialed. This will also be of assistance to delivery services and people not familiar with Enfield.

Street numbers should be posted immediately. The system is operating and emergency service crews will receive your address from dispatch. It is very difficult to find numbers that are not posted or visible from the street.

Please forward questions or concerns regarding addresses or 911 service to Jim Taylor at the Town Office (632-4067). If assistance is needed posting numbers, the Town Office can put residents in touch with several organizations that have volunteered to help.

F.A.S.T. Squad

This has been a great year for the Enfield F.A.S.T. Squad. First, we celebrated our 20th anniversary in February of 1997. Secondly, we held an open house in September at our newly renovated quarters on Depot Street. These events would not have been possible without the support of the Enfield citizens. We would like to publicly thank every one.

It is a great place to hold our meetings and training sessions. We look forward to holding our annual community CPR class here in the spring.

We have responded to over 200 calls during 1997. With everyone now having received their 911 numbers we would encourage all to display them. This will help to provide a more rapid response time for all EMS personnel in locating any residence requiring services.

Each year we have continued to purchase new equipment and this year we will have a pulse oximeter. This allows us to monitor the oxygen levels during transport to any hospital.

If you would like any information about becoming a member of our squad, please talk to any of the following people:

The Enfield Fire Department has been very busy this past year. We would like to give gratitude to "Archie" Ruel from the entire Fire Department for his fifty years (50) of unrelenting dedication as a Fire Department volunteer to the Town of Enfield.

The Union Street Station has received some new up-dated "Scott" breathing apparatus to replace our old "Survive Air" packs. These packs are up-dated and will eventually replace the existing "Survive Airs." We have also been working on a new Forestry unit. Depending on funds this coming year we are in hopes of getting it in service by next fall.

In 1998, (funds depending) we hope to get some work done on the Union Street Station electrical system.

If you are interested in serving your community, we are always looking for new members.

The Enfield Center Fire Department has been very busy this year. The Center has replaced the old concrete floor which was in need of replacing. They are now awaiting the arrival of the new tanker which is on order and is supposed to be in service some time in 1998.

Enfield Public Library

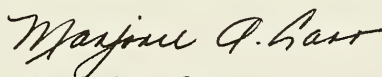

The Library witnessed this year another milestone in its history. After 30 years as a library trustee, John L. Dunn, Jr. retired. There were many positive changes that occurred during his tenure. John was active in contributing to each of these changes as the library expanded and added new services and collections.

In the mid-seventies the library expanded twice and John donated many hours of his time helping with the remodeling. This effort was duplicated during the early 1990's when the library grew once again and John worked on the plans and addition of space on the first floor.

Throughout his years on the board, John worked tirelessly and with dedication, and has always supported the best possible library service for the residents of Enfield. The library staff and patrons thank John L. Dunn, Jr. for his 30 years of faithful service.

During 1997 the programs for children were well attended. The summer reading program attracted 97 participants who read a total of 1265 books during a five-week period. A special thank you goes to Jennifer St. James who donated her time to assist with this program and with the monthly storytimes.

Once again, additional thanks from the library administration go to the many people, including Greta Crilley, Judy Kmon, Linda Cuthbert, Martha Lorimer, Jan Lawson and Jean Waterson who generously gave their time to support library activities. Special recognition goes to the Enfield PTA for their continuing support of the summer reading program.

Planning Board

The Planning Board worked with many property owners and proposals in 1997. The Board approved three Major Subdivisions, two Minor Subdivisions, eight Site Plans, two Boundary Line Adjustments, six voluntary mergers, twelve town driveways and discussed nineteen conceptual plans. In addition the Board denied two voluntary mergers and had one site plan withdrawn. The Board also reviewed five state driveway permits, six wetland permits, fifteen intents to cut and held one scenic roads hearing.

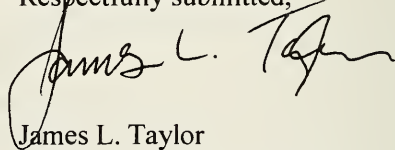

Last winter, the Board offered several amendments to the Enfield Zoning Ordinance and all were approved by the Town Meeting. They included an expansion of the Community Business (CB) District on the northeast side of US Route 4 and the adoption of a new Official Zoning Map.

Also adopted were road name changes to the zoning district boundary descriptions and Special Exceptions for wireless towers in all districts except for the Conservation District.

The Board lost Bill Nutt after seven years of service and welcomed Suzanne Laliberte and Gerry Stark as alternates. Mrs. Laliberte was selected as a regular board member to fill the seat vacated by Bill Nutt. The Board still needs a couple of alternates and if you are interested please contact the Selectmen's Office.

The Planning Board meets on the second and the fourth (if needed) Wednesdays of the month at 7:00 PM. The Planning/Zoning Administrator has office hours Tuesdays 9-3, Fridays 10-2 and other times by appointment.

Respectfully submitted,

Police Department

As in years past, our activity continues to be centered on service calls. Incidents of criminal behavior are infrequent. This climate is not brought about by the activities of the police department, but rather it is the product of the people we serve. Now, if we just build a wall around our Town...

However, we are not without problems. Of concern is the rising incidents of serious motor vehicle offenses and in particular, drunk driving. Prior to last year, we witnessed a 4 year trend where such arrests averaged 22 yearly.

There may be many factors contributing to this upward trend. Certainly, the department makes a concerted effort to rid our highways of impaired drivers. There is no debate that a 3,000 pound vehicle controlled by an impaired driver is a deadly threat to public safety. This public attitude is attested by the increasing number of arrests resulting from alert citizens reporting drunk drivers.

Another factor leading to the high number of arrests is recent legislation aimed at underage drinkers. Our laws now allow the conviction of persons under the age of 21 years with a blood alcohol concentration of .02%. In many cases, a BAC of .02% can be obtained after one or two drinks. While such laws seem very harsh, nothing can be so devastating as losing a child in a drunk driving accident. The department continues to invest in the future by sponsoring an active Police Cadet program under the able leadership of Officer James Pushee and his wife, Tamara. The Cadet Program, under the auspices of the Boy Scouts of America, provides young adults with an insight to a career in law enforcement. The post, with 12 members, has been actively engaged in numerous community service projects.

The Drug Abuse Resistance Education (DARE) program is conducted by Det. Sgt. Richard A. Crate, Jr. to all 5th graders at the Indian River School. While the effectiveness of any prevention program is always a matter of debate, we feel very strongly that the DARE message is reaching our children. Like driver education programs, we certainly would not want to be without it.

We again thank all of those who have encouraged and supported our efforts.

Shaker Recreation Park Development Committee

Volunteers have played an enormous role in developing Shaker Recreation Park. Numerous individuals have donated their services and equipment, reducing our costs. The Enfield-Mascoma Lions Club contributed funds and devoted many days of labor developing the park. Two Boy Scout projects have been completed at the park. One project entailed developing the picnic area, planting lilacs, assembling picnic tables, ordering materials and obtaining donations of equipment and bark mulch. The Enfield-Mascoma Lioness supported purchase of the lumber for the picnic tables. The second project involved physically laying out and marking the northern and eastern portions of the trail and organizing scouts to clear brush and trees so we can bring in equipment and materials to begin constructing the trail.

During 1997 the two infields were completed with sand and jocksand; dugouts, benches, bases, pitching rubbers, fencing and backstops were installed. New areas were graded and seeded. The sign at the entry of the park was designed, ordered and partially installed. The exterior of the storage shed was renovated and sided. Granite State Electric installed the pole to bring power to the storage shed. The Enfield Baseball League, Mascoma Youth Baseball/Softball League, supporters of the Needham Memorial Field and an anonymous foundation donated funds to further progress on the park. Trumbull-Nelson, Walter Paine and Whitten Construction donated equipment for us to use during our workdays.

1997 saw the long awaited first use of Shaker Recreation Park. An ice rink was constructed and maintained by volunteers. The Enfield Center Fire Department generously gave their time to flood the rink when necessary. The rink was heavily used during the winter as children learned to skate; young and old enjoyed skating. During the spring and throughout the summer of 1997, both adult teams and youth leagues began heavily using the ball fields.

The walking/jogging/cross-country trail is sorely needed thus we want to begin building it during 1998. By building the trail we will address many other needs in our community. We also wish to begin creating a playground during 1998.

We wish to express our sincere appreciation to all who volunteered their time, equipment and expertise to this project. The upcoming year, again, promises many opportunities for volunteers to join our efforts. Please feel free to call me and join us in making the project progress!

Zoning Board of Adjustment

The Zoning Board of Adjustment had a quiet year hearing only seven appeals. The board granted two Special Exceptions: One was to allow horses in the Residential (R1) District. The other allowed a bed & breakfast to open in an existing dwelling on Shaker Hill Road. The Board also granted four Variances: Two allowed existing lots with two dwellings to be divided so that each dwelling was on a separate lot. One was for a driveway access and the fourth allowed a garage to be constructed in the setback area. The ZBA denied one Appeal of an Administrative Decision made by the Zoning Administrator regarding dimensional requirements. Celia Aufiero was elected to the board after Bert Gilbert decided not to seek another term. The Town of Enfield thanks him for his twelve years of dedicated service.

The Planning/Zoning Administrator worked with many landowners, Realtors, business owners and the general public reviewing permits and answering questions relating to the Enfield Zoning Ordinance and land use. The ZBA needs two alternate board members. If you are interested please contact the Selectmen's office. The ZBA meets on the second Tuesday of every month. When there are no appeals to hear the board generally does not meet. The Planning/Zoning Administrator holds office hours Tuesdays 9-3 and Fridays 10-2 with other times arranged by appointment.

Respectfully submitted,

Advance Transit, Inc.

Advance Transit, Inc. is a private nonprofit corporation that provides public transportation and rideshare service to several Upper Valley towns including Enfield, Canaan, Hanover and Lebanon, New Hampshire, and Hartford, Norwich and Hartland, Vermont.

Advance Transit is governed by a volunteer Board of Directors. We currently have an opening for a representative from Enfield. For more information please contact Van Chesnut, Executive Director, at 802-295-1824.

All of our buses are now wheelchair accessible. In 1997, bicycle racks were added to all buses offering additional alternatives for travelers.

Over 198,000 passengers trips were delivered throughout the system this year, an increase of 13% over 1996.

Advance Transit continues to offer its Upper Valley Rideshare Program. If you do not live near a bus route and are looking for a ride or have one to share, we can help you find carpool partners. Call 1-800-685-RIDE or 295-1824 for more information or to sign up. You can also call this number for route and schedule information.

Advance Transit schedules are available in many Upper Valley locations. In Enfield they can be picked up at the Town Offices and at the following Enfield businesses: Catty & Don's and Tinkham's Store. Schedules and Rideshare information can now be accessed on-line at www.communityinfo.com/rides.

We welcome your questions and comments. Thank you for letting us serve you!

Report to the Citizens of Council District One

It is a pleasure to report to the people of District One, which consists of 98 towns and 4 cities here in northern New Hampshire. The Council acts much like a board of directors at the very top of your Executive Branch of your New Hampshire State Government. We confirm gubernatorial nominations to many regulatory, advisory and governing boards and commissions within the Executive Branch of your government. We also confirm gubernatorial nominations to the entire Judicial Branch of the New Hampshire State government, approve contracts to outside agencies, businesses, municipalities and individuals, and a host of other duties.

A good list of phone numbers for citizens to gain information throughout this district to have on hand would be the following:

Enfield Shaker Museum

The Enfield Shaker Museum's mission is to preserve the physical and spiritual legacy of the Enfield Shakers and to demonstrate its relevance to modern society.

The Shakers' philosophy and experience teach us powerful lessons about idealism, community, and true equality. Workshops, symposia, concerts, hikes into history, cooking classes, and lectures all bring the Shaker experience to life. Educational programs appeal to every age and level of experience.

1997 was a banner year for the Enfield Shaker Museum. At long last, the Shakers' Great Stone Dwelling, East and West Brethren's shops, the LaSalette's Mary Keane Chapel, and the lands encompassing the Herb Gardens and Shaker Church Family Cemetery, were purchased by the Museum in September. New educational programs based on these newly acquired buildings and lands will be introduced over the coming months, and an inn and fine restaurant will open in the Great Stone Dwelling in the spring of 1998.

In the middle of last year's work toward the purchase of the village core, the Museum also mounted a new exhibit in the partially-restored Stone Mill. This building was made accessible to all through construction of a ramp. A handicap-accessible raised garden was built in the Herb Gardens. A new program for second graders was introduced in the Enfield School system. Artifacts and manuscripts were added to the Museum's growing collection. Work has begun on a new visitor reception area which includes a handicap-accessible audio-visual space and restrooms.

The Enfield Shaker Museum thanks its neighbors in Enfield for their ongoing support through private donations and public appropriation during the past challenging and exciting year. We urge all our neighbors to come and visit, ask questions, and give us your ideas. None of this would have been possible without you!

Grafton County Senior Citizens Council, Inc.

Grafton County Senior Citizens Council, Inc. works through its local programs to support the health and well being of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain community based long term care services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1997, 229 older residents of Enfield were able to make use of one or more of GCSCC's services. These individuals enjoyed 2,817 balanced meals in the company of friends in a senior dining room, received 5,661 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 1,367 occasions by our lift-equipped buses, benefited from 1,241 hours of care in the adult day care program, were helped through 318 visits by a trained social worker and found opportunities to put their talents and skills to work for a better community through 1,300 hours of volunteer service. The cost to provide these services for Enfield residents was \$51,363.90.

Community based services provided by GCSCC and its many volunteers for older residents of Enfield were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Enfield community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Town Forest Fire Warden and State Forest Ranger

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland firefighters with no major injuries reported. The drought conditions experienced during the early summer months was a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Upper Valley Lake Sunapee Regional Planning Commission

The Upper Valley Lake Sunapee Regional Planning Commission (UVLSRPC) is a voluntary association of 31 towns. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource and informational agency and, when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional studies such as our Regional Transportation Plan, and regional projects, such as household hazardous waste collections and the Lake Sunapee and Connecticut River Scenic Byway Studies, are undertaken to the benefit of more than one community.

Our economic development program for communities in Grafton County has certainly grown this year! The program is fully staffed and funded for two years. In order to qualify for certain State funds, it was necessary to create a new organization, the Economic Development Corporation of the Upper Valley (EDCUV). Governed by its own board, EDCUV contracts with the UVLSRPC for staff and office space. EDCUV offers community development services, individualized business assistance, and a revolving loan fund, with financing available to businesses in the \$15,000 to \$50,000 range. It has been exciting getting EDCUV up and running. This would not have been possible without your support and the dedicated work of our Economic Development Coordinators. Please give us a call to find out how EDCUV can assist with your community development needs or specific business requests. Our Commission looks forward to a long and productive partnership with EDCUV.

Thanks are also due to both the Vermont and New Hampshire legislatures for their continued support. In New Hampshire, the Department of Environmental Services and the regional planning commissions are putting together a statewide environmental program which will require that certain specific tasks be completed in every region, but also allow some funds to be used on regional environmental priorities. Details are still being worked out. A work plan will be finalized in early 1998. This is great news! It enables our Commission to continue our commitment to environmental programs.

In the past year, services such as our Planning Board training and library, which features maps, planning resources and US Census data, were available to all of our member communities. Enfield residents have taken advantage of some of these services.

In 1997, our work specifically for the Town of Enfield included, but was not limited to, the following:

- Developed and wrote \$215,000 capacity grant application to create a revolving loan fund in lower Grafton County.
- Worked closely with Public Works Director to discuss infrastructure needs and potential funding sources and to write a Feasibility Grant.
- Met monthly with the Enfield Business Group to provide technical assistance, updates and resources.
- Met with local community economic development group twice to discuss Main Street projects and potential resources.
- Developed a scope of work for a Route 4 Economic Development Study.
- Wrote a Partnership Grant to inventory commercial real estate.
- Developed an Upper Valley recruitment brochure on behalf of the town and area businesses.
- Applied for funds to assist water suppliers in identifying technical assistance needs relative to protection of current and future water supply sources.
- Maintained geographic information system data for Enfield.
- Updated GIS zoning coverage and printed large display and small zoning maps for distribution.
- Completed traffic counts in six locations for Public Works Director.
- Provided assistance with transportation enhancement grant.
- Organized two regional household hazardous waste collections and arranged for participation of Enfield residents.
- Participated in green-up day in downtown Enfield.
- Worked closely with the Town to administer capacity grant which funds the EDCUV economic program in lower Grafton County.
- Assisted local business people with business plans and revolving loan fund application.

Our Commission looks forward to serving Enfield in the coming year.

Visiting Nurse Alliance of VT & NH, Inc.

We are very grateful for the continued support Enfield provides to help VNA meet the home care and hospice needs of its community members. Here are some crucial points to consider regarding the importance of funding VNA programs in your town.

- VNA services are available to persons of all ages and all economic means
- Hospital discharge planners and attending physicians work closely with VNA to decide a course of treatment for each home health care patient.
- Our VNA staff from the Mascoma Home Health Agency Branch provides skilled services for people who: are recovering from surgery, have an acute illness, or disability; require long term care; need support and symptom control during a terminal illness.
- Town funds help provide care for people who do not have adequate insurance or the ability to pay.

Changes in health care systems nationally are placing the very heart of patient care responsibility in the hands of home care agencies. VNA is pleased to help ensure a health care safety net for the people of Enfield.

OVER 25 YEARS OF SERVICE IN THE UPPER VALLEY

WISE thanks the people of Enfield for their support in 1997. Eighty-six (86) Enfield survivors of domestic violence and sexual assault received assistance during FY 1997. Last year WISE responded to 2,792 HOTLINE calls and provided intensive services to 828 victims of domestic abuse and 269 victims of sexual assault in the Upper Valley.

The Youth Awareness program has an increasing role in area schools and has worked with local teachers and school administrators to reach hundreds of teenagers, including Enfield students at Mascoma Valley Regional High School and the Indian River School. WISE is visiting Upper Valley businesses, where Enfield residents may be working, to offer information and assistance to managers who may be dealing with the effects of violence in their workplace.

Now you can learn more about our services by visiting us at our Web Site <http://www.valley.net/~wise/> and you can e-mail us at WISE.of.Upper.Valley@VALLEY.NET.

1997 Town Meeting March 11, 1997 Deliberative Session April 8, 1997 Official Ballot Vote

The following is not a complete copy of the Town Meeting minutes of March 11 and April 8, 1997, but reflects the results of the discussion and amendment of articles at the deliberative session and a record of the actual vote by Official Ballot.

Article 1. The following were chosen by official ballot to serve for:

Five years: William Hayes, Supervisor of the Checklist

Three years: Donald J. Crate, Sr., Selectman
John R. Goodwin, Trustee of Trust Funds
R. Duncan Baillargeon, Cemetery Trustee
Timothy N. Taylor, Fire Ward
Rebecca Powell, Library Trustee
Carol Felix, Recreation Commission Member
Cecilia Aufiero, Zoning Board of Adjustment Member
Paul Mirski, Zoning Board of Adjustment Member
Dominic Albanese, Budget Committee Member
Cecilia Aufiero, Budget Committee Member
Donald E. Roberts, Budget Committee Member

Two Years: Stephanie Felix Small, Recreation Commission Member

Article 2. 532 YES, 446 NO. In favor of amending the Enfield Building Code by adopting the 1996 Building Officials & Code Administrators (BOCA) National Building Code.

Article 3. 556 YES, 218 NO. In favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town of Enfield Zoning Ordinance to increase the size of the Community/Business District. Amend Article III, Section 303-1 to read: "That area along Route 4 bordered on the west by Day Dawn and Oak Grove Streets, on the south by the railroad tracks extending to the

Canaan Town line, on the east and north by the Canaan Town line, to a line 500 feet east of Anderson Hill Road, to a line extending 400 feet to the north Route 4 ROW to Day Dawn Street.”

Article 4. 575 YES, 192 NO. In favor of the adoption of Amendment #2 as proposed by the Planning Board for the Town of Enfield Zoning Ordinance in order to change the road names listed as zoning district boundaries to reflect the new Master Street Names List adopted by the Enfield Board of Selectmen.

Article 5. 571 YES, 171 NO. In favor of the adoption of Amendment #3 as proposed by the Planning Board for the Town of Enfield Zoning Ordinance to adopt the map on display at Whitney Hall and in the voting place, the LaSalette cafeteria/bingo hall, on Town Meeting Day as the Official Zoning District Map which will appear as Figure A in the Zoning Ordinance and will be on file with the Town Clerk. (See Map Exhibit.)

Article 6. 491 YES, 263 NO. In favor of the adoption of Amendment #4 as proposed by the Planning Board for the Town of Enfield Zoning Ordinance to allow wireless towers as required by the Federal Communications Act, by amending Article IV, Section 403 by adding Wireless Towers as 403.1n, 403.2n, 403.3r, 403.4f and 403.5h. under the list of Special Exceptions.

Article 7. 449 YES, 330 NO. (2/3 ballot vote required.) Opposed to the question as amended at the deliberative session of Town Meeting: Shall the Town vote to raise and appropriate the sum of one hundred and twenty thousand dollars (\$120,000) (gross budget) for the construction of a waste water (sewer) line extension to serve the Prospect Hill area of Route 4, and to authorize the issuance of not more than \$120,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Repayment of principal and interest will come from benefiting property owners, the Municipal Sewer System Capital Reserve Fund, the Sewer Fund, and 30% or more by State and/or Federal grant programs. This is a non-lapsing account per RSA 32:3, VI and will not lapse until the project is completed or in five years, whichever is less?

Article 8. 318 YES, 453 NO. Opposed to the question: Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$2,839,966? [Estimated

Town tax rate of \$8.30 per \$1,000 valuation.] Should this article be defeated, the operating budget shall be \$2,764,972, which is the same as last year, with certain adjustments required by previous action of the Town or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [If the default budget is approved the estimated Town tax rate is \$7.93 per \$1,000 valuation.]

Article 9. 417 YES, 370 NO. In favor of the question: Shall the Town vote to raise and appropriate the sum of one hundred sixty-six thousand, seven hundred fifty dollars (\$166,750) (gross budget) for the replacement of the Grafton Pond Road bridge, which includes a minimum of \$133,400 in state and federal grant funds, and the remainder, but not more than \$33,350, to be funded by tax levy. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the project is completed or in five years, whichever is less? [Estimated tax impact of 17¢ per \$1,000.]

Article 10. 447 YES, 342 NO. In favor of the question: Shall the Town vote to raise and appropriate the sum of ninety-nine thousand dollars (\$99,000) to purchase a new fire department water tank truck and to authorize the withdrawal of fifty-six thousand dollars (\$56,000) from the Fire Vehicle/Equipment Capital Reserve Fund, and to appoint the Board of Selectmen as agent to expend, the balance of forty-three thousand dollars (\$43,000) is to come from general taxation? (Majority vote required) [Estimated tax impact of 21¢ per \$1,000.] This is a special warrant article.

Article 11. 529 YES, 259 NO. In favor of the question: Shall the Town vote to raise and appropriate the following sums to be placed in the designated Capital Reserve Funds previously established? (Majority vote required):

Capital Reserve Account	Appropriation	Estimated Tax Impact
Municipal Buildings.....	\$5,000	2¢
Ambulance	3,000	1¢
Revaluation	10,000	5¢

Article 12: 494 YES, 302 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to raise and appropriate the sum of one dollar (\$1.00) for the purchase of the

Chouinard/Perkins property located on Route 4 adjacent to Huse Park's entry (Tax Map 37, Lot 35) for expansion of Huse Park and other public purposes? This is a special warrant article.

Article 13. 650 YES, 145 NO. In favor of the question: Shall we modify the elderly exemptions from property tax in the town of Enfield, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$40,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$18,400 or if married, a combined net income of less than \$26,400; and own net assets not in excess of \$70,000 excluding the value of the person's residence?

Article 14. 334 YES, 424 NO. (3/5 vote required.) Opposed to the question: Shall the provisions for voting by official ballot on all issues before the town of Enfield under RSA 40:13 be limited to election of officers and certain other questions?

Article 15. 472 YES, 283 NO. In favor of the question: Shall we adopt the provisions of RSA 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax?

Article 16. 510 YES, 262 NO. In favor of the question: Shall the Town vote to establish a Library Equipment Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of acquisition or replacement of capital equipment; and to designate the Board of Library Trustees as agent to expend? (Majority vote required)

Article 17. 309 YES, 478 NO. Opposed to the question as amended at the deliberative session of Town Meeting: Shall the Town vote to participate in a community access television cooperative, CATV/6, the cost of which will be provided by TCI Twinstare Cable which will not be passed on by TCI Twinstare Cable to its subscribers?

Article 18. 629 YES, 153 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town accept the provisions of

RSA 31:95-b authorizing the selectmen to apply for, accept and expend, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Article 19. 659 YES, 127 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town accept the provisions of RSA 202-A:4-c authorizing the Public Library Trustees to apply for, accept and expend, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Article 20. 642 YES, 143 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to accept the provisions of RSA 31:95-e authorizing the selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose? The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

Article 21. 650 YES, 127 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to accept the provisions of RSA 202-A:4-d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property?

Article 22. 445 YES, 324 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to accept the provisions of RSA 33:7 authorizing the selectmen to borrow money in anticipation of taxes?

Article 23. 633 YES, 138 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to accept the provisions of RSA 80:80 authorizing the selectmen to administer, sell or otherwise dispose of any tax lien or real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or to otherwise dispose of as justice may require, providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-

five (45) days in advance of sale with notice posted in three public places and two local newspapers of wide circulation for two consecutive weeks?

Article 24. 581 YES, 178 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to authorize the selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided such street has been constructed to applicable town specifications as determined by the selectmen and their agent?

Article 25. 651 YES, 121 NO. In favor of the question as amended at the deliberative session of Town Meeting: Shall the Town vote to accept the provisions of RSA 31:19 authorizing the selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose?

I.Reed, on behalf of the Town, presented B.Gilbert with a plaque, and P.Mirski thanked Mr. Gilbert for his dedication to the position of Selectman, and to the Town.

Moderator David Beaufait thanked John Goodwin for all his dedication and assistance in the position of Assistant Town Moderator.

The Meeting was adjourned at 12:23 am.
